

# ⌚ Career History Timeline v1

- Offered one of the only legitimate alternatives to the "big" providers such as [Shaw](#), [TELUS](#) and more.

-

## P.S.

- Psst, there's an example of keyword stuffing, or referral spam, analytics injection? in the Shaw and TELUS links above.
- Can you figure out what happens when someone at Shaw or TELUS reviews their Google Analytics?
- Why I changed the `utm_campaign` from `career` to `career.stevens.pro`?
